

City Council

Staff Report

TO: Honorable Mayor and City Council

FROM: John Jansons, City Manager 

DATE: July 25, 2016

SUBJECT: Senior Center Services: Sub-Recipient Agreement and Facility Use Agreement.

RECOMMENDED ACTION:

It is respectfully recommended that the City Council:

- 1) Approve and authorize the City Manager to execute the Sub-Recipient Agreement by and between the City of Farmersville and Community Services Employment Training for provision of enhanced activity and meal services at the Farmersville Senior Citizens Center located at 444 Gene Street, and
- 2) Approve and Authorize the Mayor to execute the Facility Use Agreement by and between the City of Farmersville and the Farmersville Senior Citizens Center located at 444 Gene Street.

BACKGROUND and DISCUSSION:

The 2014 grant awarded to the City of Farmersville (14-CDBG-9900) from the Community Development Block Grant program (CDBG) of the California Department of Housing and Community Development (HCD) originating from the U.S. Housing and Urban Development (HUD), provided funding to expand and enhance the delivery of services to elderly Farmersville residents at the Farmersville Senior Citizens Center (Senior Center) located at 444 Gene Street.

Initially, the City had sought to directly grant funds to the Farmersville Senior Center to expand and enhance their activity delivery, but it was mutually determined that the volunteer-based senior center did not have the internal capacity to manage the complexities associated with a CDBG grant and that a third party entity experienced with grant management and delivery would be needed to effectively carry-out the goal of expanding and enhancing services to Farmersville seniors and to comply and conform with complex State and Federal grant regulations.

The Community Services Employment Training Agency (CSET) was selected for this task as they successfully operate and manage several senior centers in Tulare County, including Woodlake and Porterville which have active and robust activities and services.

Activities:

The proposed agreement will allow the CSET to provide expanded and enhanced services to Farmersville's seniors as a sub-recipient of CDBG funds awarded to the City. These expanded and enhanced services primarily include, but are not limited to:

- Activity #1 Provide well balanced meals and support diabetes management in the form of a lunch program servicing up to 25 elderly persons per day.
- Activity #2 Provide shelter from extreme summertime heat by offering an air conditioned setting during the hottest part of the day for up to 50 elderly individuals.
- Activity #3 Provide social interaction to combat and prevent clinical depression in the elderly population. Activities such as the lunch program, art programs, quilting, and computer classes will be offered to up to 25 elderly individuals per day.

Goals and Targets:

The goals of this partnership is to provide the following level of service per each grouping of activities to Farmerville residents as follows:

	Beneficiaries per Month	Beneficiaries Per Year
Activity #1	367 Average	3,427 Average
Activity #2	90 Average	330 Average
Activity #3	374 Average	3,492 Average

Budget and Term:

The proposed budget to provide for enhanced and expanded services to Farmersville's seniors is \$139,535 under the term of the grant commencing on or about July 1, 2016 through October 31, 2017 with a possible extension of time requested from the State.

The Use Agreement:

The accompanying Facility Use Agreement is required by CA HCD to demonstrate site control to allow for the City's sub-recipient (vendor) CSET to deliver services at the building/property owned by Farmersville Senior Citizens Center Inc. since it is not owned, leased or controlled by the City.

Direction of the Council

This recommendation was presented to the City Council on July 11, 2016 at which time the City Council heard a presentation but took no action and directed Staff to further engage the Senior Center management and users and to return this item to City Council for further consideration at the July 25, 2016 meeting.

As a result, Staff did attend the July 12, 2016 meeting of the Senior Center General Membership and Board of Directors at which the Board of Directors voted in a majority to partner with the City and CSET to expand services at the Farmersville Senior Center.

COORDINATION & REVIEW:

The recommended action has been reviewed and coordinated with the City Attorney, CSET, Self Help Enterprises (the City's CDBG program manager) and the Farmersville Senior Citizens Center.

ALTERNATIVES:

None Proposed.

FISCAL IMPACT:

Approval of the recommendation would commit \$139,535 in CDBG funds to deliver enhanced and expanded services to Farmersville senior citizens.

CONCLUSION:

It is respectfully recommended that the City Council:

- 1) Approve and authorize the City Manager to execute the Sub-Recipient Agreement by and between the City of Farmersville and Community Services Employment Training for provision of enhanced activity and meal services at the Farmersville Senior Citizens Center located at 444 Gene Street, and

- 2) Approve and Authorize the Mayor to execute the Facility Use Agreement by and between the City of Farmersville and the Farmersville Senior Citizens Center located at 444 Gene Street.

**SUBRECIPIENT AGREEMENT
AGREEMENT BETWEEN THE CITY OF FARMERSVILLE
AND
COMMUNITY SERVICES EMPLOYMENT TRAINING (CSET)
FOR
FARMERSVILLE CDBG SENIOR SERVICES**

THIS AGREEMENT, entered this _____ day of _____, 2016 by and between the CITY OF FARMERSVILLE (herein called the "Grantee") and COMMUNITY SERVICES EMPLOYMENT TRAINING (CSET) (herein called the "Subrecipient").

WHEREAS, the Grantee has applied for and received funds from the State of California, Department of Housing and Community Development, State Community Development Block Grant Program ("the Department") originating from the United States Government under Title I of the Housing and Community Development Act of 1974, as amended (HCD Act), Public Law 93-383; and

WHEREAS, the Grantee wishes to engage the Subrecipient to assist the Grantee in utilizing such funds;

NOW, THEREFORE, it is agreed between the parties hereto that;

I. SCOPE OF SERVICE

A. Activities

The Subrecipient will be responsible for administering Senior Services funded through in a manner satisfactory to the Grantee and consistent with any standards required as a condition of providing these funds. Such program will include the following activities eligible under the Community Development Block Grant program:

Program Delivery

Activity #1 Provide well balanced meals and support diabetes management in the form of a lunch program servicing up to 25 elderly persons per day.

Activity #2 Provide shelter from extreme summertime heat by offering an air conditioned setting during the hottest part of the day for up to 50 elderly individuals.

Activity #3 Provide social interaction to combat and prevent clinical depression in the elderly population. Activities such as the lunch program, art programs, quilting, and computer classes will be offered to up to 25 elderly individuals per day.

All services will be provided at the Farmersville Senior Citizens Center, 444 N. Gene Street, Farmersville, CA 93223.

General Administration

Subrecipient will maintain daily program attendance records. Subrecipient will maintain financial records of expenses consistent with the purposes of this grant. Timesheets will be maintained on grant-funded employees segregating CDBG grant hours.

B. National Objectives

All activities funded with CDGB funds must meet one of the CDBG program's National Objectives: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency, as defined in 24 CFR 570.208.

The Subrecipient certifies that the activity (ies) carried out under this Agreement will meet the LMC Limited Clientele National Objective of serving Elderly Persons. This objective will be met by clientele self-certifying that they meet the age criteria established for this program and by providing services to age eligible elderly persons.

C. Levels of Accomplishment – Goals and Performance Measures

The levels of accomplishment may include such measures as units rehabbed, persons or households assisted, or meals served, and should also include time frames for performance.

The Subrecipient agrees to provide the following levels of program services:

<u>Activity</u>	<u>Beneficiaries per Month</u>	<u>Beneficiaries/Year</u>
Activity #1	384 Average	3,326 Average
Activity #2	91 Average	273 Average
Activity #3	390 Average	3,378 Average

See Exhibit A, Goals and Performance Measures.

D. Staffing

Under Activity #1, the Subrecipient will contract with a provider to cook and serve meals to elderly persons. Meals will be served to elderly persons at the Farmersville Senior Center located at 444 N. Gene Avenue or delivered to their homes. The lunch program will ramp up from an initial number of 10 elderly persons to a target goal of 25 elderly persons

per day. Meals will be served Monday through Friday, except for days on or near holidays that the Center is closed.

Under Activity #2, the Subrecipient will staff the Farmersville Senior Center weekday afternoons during days of extreme heat to provide shelter by offering an air conditioned setting during the hottest part of the day for up to 50 elderly persons. The Center has a capacity of 88 persons as approved by the City Fire Marshall, so there is ample capacity to serve 50 persons. The Center will provide information to the community letting elderly residents know of this service. It is unlikely that 50 persons would come to the Center at one time; however, the Center will be capable of accommodating them.

Under Activity #3, the Subrecipient will provide social interaction to combat and prevent clinical depression in elderly persons. Activities such as the lunch program, art programs, quilting, and computer classes will be offered to a target goal of 25 elderly persons per day.

The Subrecipient will contract with providers as necessary to have services available through these activities. It is anticipated that 76 hours per month will be allotted by providers to carry out these services.

Performance Monitoring

The Grantee will monitor the performance of the Subrecipient against goals and performance standards as stated above. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, contract suspension or termination procedures will be initiated.

II. TIME OF PERFORMANCE

Services of the Subrecipient shall start on September 1, 2016, and end on the CDBG Grant 14-CDBG-9900 expenditure deadline of October 31, 2017, unless the Department approves a one-year, in which case the end date will extend to October 31, 2018. However, if in the case of a partial termination, the Grantee determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Grantee may terminate the award in its entirety.

The Subrecipient shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of four (4) years. The retention period begins on the date of the submission of the Grantee's annual performance and evaluation report to HUD in which the activities assisted under the Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the four-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later.

The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this contract and may result in the withholding of future payments. The Subrecipient hereby agrees to have an annual agency audit conducted in accordance with current Grantee policy concerning subrecipient audits and OMB Circular A-133.

C. Reporting and Payment Procedures

1. Program Income

The Subrecipient shall report monthly/quarterly all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the Grantee at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the Grantee.

2. Indirect Costs

With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this contract for costs incurred by the Grantee on behalf of the Subrecipient.

If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real

property acquired or improved under this Agreement after the expiration of the five-year period [or such longer period of time as the Grantee deems appropriate].

3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee [an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment].

VIII. RELOCATION, REAL PROPERTY ACQUISITION AND ONE-FOR-ONE HOUSING REPLACEMENT

The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Grantee for review upon request.

The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with Federal requirements adopted by the Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient shall cause or require to be

inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

“Section 3” Clause

- a) Compliance: Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this contract, shall be a condition of the Federal financial assistance provided under this contract and binding upon the Grantee, the Subrecipient and any of the Subrecipient’s subrecipients and subcontractors. Failure to fulfill these requirements shall subject the Grantee, the Subrecipient and any of the Subrecipient’s subrecipients and subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which Federal assistance is provided. The Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these “Section 3” requirements and to include the following language in all subcontracts executed under this Agreement:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in

which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

- b) Notifications: The Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- c) Subcontracts: The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the grantor agency.
